

Ombudsman Western Australia Strategic Plan 2009-2011

Our Vision

Fair, accountable and responsive decision making and practices by public authorities.

Our Mission

To serve Parliament and Western Australians by:

- Resolving complaints about the decision making of public authorities; and
- Improving the standard of public administration.

Our Key Stakeholders

- **Parliament**
- **Public authorities:**
including State Government departments, agencies and boards; government services such as hospitals, prisons, schools and technical colleges; public universities; and local governments.
- **The public**

Our Values

We value being:

- **Fair:** We observe procedural fairness at all times, use a 'no surprises' approach in all of our work and provide our services equitably to all Western Australians.
- **Independent:** The Ombudsman is an officer of the Parliament, independent of the Government of the day and independent of all parties in dispute.
- **Accountable:** We should be, and are, accountable for our performance and proper expenditure of taxpayers' money. Being accountable means being:
 - **Rigorous:** We undertake work that is important to the community and our decisions are supported by appropriate evidence.
 - **Responsible:** All recommendations for change to public administration must be practical and proportionate to the problem identified and must demonstrate a net public benefit.
 - **Efficient:** We undertake our work in a timely way at least cost. We value working with other agencies that further good public administration but we should never duplicate their work.

Key Measures of Success

- The public is aware of our services, they are accessible to all and the public is satisfied with the quality of our services.
- Our suggestions and recommendations for administrative improvement are accepted and implemented.
- The time taken to resolve complaints continues to improve.
- Parliament and public authorities are aware of, and value, our services.
